MEMBERSHIP ACTIVITIES

Annual Meeting

Each spring we gather for a fun evening filled with music, food, drinks and raffles to kick-off the year's events. Membership and guests are updated on the results of last years events and the new season's up and coming events.

River Cleanup

Every spring we pick a local stream or river to clean up. This program helps preserve and enhance the local fishery by providing clean and debris free spawning grounds for the fish.

Kids Fishing Day

An annual event, held at Lakenenland in June. In 2019 we gave away 300 rod/reel combos to the kids that came to experience the thrill of catching a fish. SSFA provides the rod/reel combos and bait and tackle for the kids. We also restock the pond at Lakenenland so there is ample fish to catch. Lunch is also provided for the kids and their families. This event is growing every year. It is simply a day of fun and enjoyment for all involved.

Women's + Children's Tournament

An annual event that focuses on introducing the whole family to the sport of fishing and giving them exposure to a tournament atmosphere. In holding a tournament specifically targeting families, the whole family gets to participate in tournament fun! The best part of this day is seeing the smiles on the kids faces when they bring their catch up to the stage for weighing!

Vets Fishing Day

This event is one of our largest and most rewarding of the year. The Veterans are treated to a day of fishing, participation in a boat parade at the Lower Harbor, a picnic for them and their families, and a portion of the day's catch to take home. It takes many volunteers to for an event this size. Volunteer opportunities include: the event organization committee, boat captains and crew, picnic set up, food servers and fish cleaning. This event has become one of the most anticipated SSFA events of the year.

Marquette Bay Fall Classic

This one-day tournament will wrap up the fishing season portion of SSFA and is the largest tournament SSFA holds during the year. It's kicked off with a captain's meeting the night prior to the tournament. Participants enjoy a day of fishing the greater Marquette area waters followed by fishing stories, weigh-in, and awards ceremony. Many fishing teams look forward to this event every year!

Marquette Bay Spring Tournament

Every spring we attempt to hold the first tournament of the year in the U.P. Ice and weather are always the challenge, but when we can go out it's a fun, competitive day on the water.
